His untiring zeal has been instrumental in starting various institutes in a short span of time, all being managed aptly by dedicated trustees.

In 1995, Shri Bipinchandra T. Vadhar with his rich experience as an administrator and as a management expert took over the reins of the trust as the "Director of Higher Education". Having realized the dearth for English Medium College and the plight of the students who had to leave the city in order to pursue higher education. He worked zealously contributing his might both quantitatively and qualitatively to establish English medium College namely "Shri Gosar Hansraj Gosrani Commerce & Shri Dharamshi Devraj Nagda BBA College." He is highly instrumental in making M.B.A. a reality.

These centres of learning are the fruitful outcome of the creation engineered by the founders through their untiring efforts. Several generations to come will remain indebted to the founders for their glorious vision, which was translated into action.
